DETAILED ACTION

EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

This application is in condition for allowance except for the presence of claims 9-25 that were non-elected, without traverse. Accordingly, claims 9-25 been cancelled.

The application has been amended as follows:

CLAIMS:

Claims 9-25 have been cancelled.

Response to Amendment

The Amendment, filed on 3/3/04, has been entered and acknowledged by the Examiner.

Claim 26 has been amended.

Allowable Subject Matter

2. Claims 1-3, 6-8, 26, 28, and 29 are allowed.
3. The following is an examiner's statement of reasons for allowance:

Regarding claim 1, the references of the Prior Art of record fails to teach or suggest the combination of the limitations as set forth in claim 1, and specifically comprising the limitation that a fluorescent lamp has a cold chamber with substantially the same height as the diameter of the double spiral discharge tube portions.

Regarding claims 2-3, 6-8, and 29, claims 2-3, 6-8, and 29 are allowable for the reasons given in claim 1 because of their dependency status from claim 1.

Regarding claim 26, the references of the Prior Art of record fails to teach or suggest the combination of the limitations as set forth in claim 26, and specifically comprising the limitation that a fluorescent lamp with a double helix tube has a cold chamber where a tangential outer surface of the upper ends and the tangential outer surface of the cold chamber are coplanar in a plane perpendicular to the central axis of the discharge tube.

Regarding claim 28, claim 28 is allowable for the reasons given in claim 26 because of its dependency status from claim 26.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
